Festival Theme
'4th of July'

Welcome to the 2015 Town Festival

Chairman's Welcome

Hello and welcome to what I believe to be the 20th Annual Town Festival.

I am sure my predecessors would have hoped their legacy continued all these years and I am proud to say this year will be bigger than ever. This is the first time the festival has secured title sponsorship and I would like to thank **Michael Graham** for their generous support.

This year the Festival starts on **Saturday 4th July** and therefore we have adopted **4th July as our theme for 2015**. This will be reflected in the fancy dress parade and our showcase casino evening.

Its **fun in the park** for families and children alike following the street parade at 1.30pm, with many arena events and sideshows, many of which are appearing for the first time. By popular request we repeat our casino evening but with more tables this year, Frank Sinatra entertains us, well not the original sadly, hot food and bar available.

What a fantastic opportunity to win a beautiful, round cut Diamond worth £2500.

The only thing you have to do is get yourself a chilled glass of champagne at the most talked about Wine Bar in Buckinghamshire, Dukes Wine Bar on Dukes Street, Princes Risborough and you automatically get entered into the prize draw.

The following week our local clubs societies and businesses showcase their talents – over thirty again this year and all for free so please do go along to as many as possible.

The Street Fair ends our week on **11th July** with an array of stalls, live music and food available from early afternoon. Get there early as we have some amazing bands and solo performers this year.

Please take a few minutes and browse through the following pages, I am sure you will see something that takes your fancy, you never know what you might find.

Please show your support for the festival by logging onto our website www.risboroughfestival.co.uk, liking our Facebook page [RisboroughFestival](https://www.facebook.com/RisboroughFestival) and by coming along and having some fun.

To stage an event of this size requires an enormous input from a number of amazing people. Firstly I thank the Committee for their incredible efforts and time to make this year possible again, the Town Council and Mayor for their ongoing support and encouragement, and many local businesses and organisations for their continued support. Finally Chiltern View who have again kindly printed and distributed this programme on our behalf, a big thanks to you all.

Looking forward to seeing you.

Celebrating life at Cherry Tree Nursing Home

In this ever changing climate, when bad news about nursing homes has become 'in fashion', Cherry Tree Nursing Home in Saunderton, Princes Risborough, have decided to take a step forward and... Celebrate Life.

A life which might not be as good as in each individuals home; however, a life of good care and fulfilment which are often forgotten

We invited residents and their families to answer three simple questions and asked for their permission to share their views with the community and wider public in an effort to remind everyone that good quality care still exists.

Questions we asked & just some of the feedback we received

What was your first feeling when you knew it was time to look for a nursing home and how this changed after admission to Cherry Tree Nursing Home?

Answers: Guilty as I couldn't look after him myself. Conversations held with Home Manager helped me make the right decision. Didn't want to come, however now very happy to stay.

Could you tell us what makes Cherry Tree Nursing Home a good home in which to live?

Answers: Respect & kindness shown at all times, individual needs met, lovely grounds to enjoy watching the wild life, good home cooked food, friendly caring staff, comfortable accommodation, organised outings, functions such as BBQ, Strawberry Tea, Firework evening

Could you share with us one experience which prompts you to Celebrate Life at Cherry Tree Nursing Home?

Answers: The company of others, humour bring smiles, well looked after & family close by, quizzes, activities & reminiscence fun.

Thank you to our residents & their families for sharing their thoughts about our home.

Taepa's Tump North West Morris Dancers -

Taepa's Tump is a Ladies North West Morris side and was formed in early 1981 Our name was taken from an old term for one of the area's outstanding archaeological sites, the burial mound of "Taepa" a Saxon chieftain who gave his name to Taplow. The mound was opened at the end of the last century and yielded a collection of Saxon grave goods, which are now in the British Museum and are second only to the Sutton Hoo Burial Hoard.
